Organize a group to watch the briefing together!

- > Invite people who are interested in the issue as well as elected officials and leaders in your community who want to learn more.
- > Find a location with a strong wifi connection and ability to project the Facebook live stream onto a screen for all to view.
- > Offer refreshments - coffee/tea/breakfast goodies for those who are not fasting.
- > Encourage people to attend with their phones and laptops so they can tweet and post to social media during the live briefing.
- > Bring supplies like paper/pen/envelopes for those who want to write letters.
- > Details about the briefing can be found here: <http://bit.ly/50yrsbriefing>
- > Invite a local facilitator to help answer questions after the briefing or have a discussion with the group about the issues and possible follow up in your community.

> Let us know how the gathering goes!
