IMAGINE if this were your child’s daily path to school. Palestinians don’t have to imagine. This is what life is like for millions of Palestinians forced to live under Israel’s military occupation – an occupation financed yearly with billions of dollars in U.S. military aid and paid for by U.S. taxpayers like you.

This June marks the 40th anniversary of Israel’s illegal military occupation of the Palestinian West Bank, East Jerusalem and Gaza Strip. Join us on June 10 for a rally on Capitol Hill and a march to the White House calling for:

• An end to U.S. military, economic, diplomatic and corporate support for Israel’s illegal military occupation of the Palestinian West Bank, Gaza Strip and East Jerusalem.
• A new U.S. policy that supports a just peace between Palestinians and Israelis based on equality, human rights and international law, and the full implementation of all relevant United Nations resolutions.
